

Special session

“Physical Internet and logistic resources mutualisation”

Organized by Moustafa Nakechbandi (University le Havre Normandie, France)

moustafa.nakechbandi@univ-lehavre.fr

Abstract: This session is an opportunity to present papers dealing with new challenges, trends and solutions to improve logistic resources mutualisation, in or out of a Physical Internet. New ideas and paradigms, sometimes borrowed or inspired by other fields, may help to improve actual logistic models.

To name a few :

- Physical Internet concept (example: layered models),
- smart and modular containers,
- efficient use of rare mobile resources (reefers, etc.),
- problems and solutions in specific situations (example: urban logistics).

Submission : The submission and reviews will be handled through the Easy Chair conference management system <https://easychair.org/conferences/?conf=icalt2019>

Manuscript length: 6 pages maximum. This is a strict limit for initial submission. During final submission of accepted papers, authors may purchase extra pages if they find it necessary to address the concerns of the reviewers.

Single blind reviewing: ICALT follows a single-blind review process. Authors are required to include their names and affiliations in their papers as illustrated in the sample templates. Templates (Microsoft Word and LaTeX) can be found at the following link: https://www.ieee.org/conferences_events/conferences/publishing/templates.html

Ethical Requirements for Authors
